

# A GIFT IS INSIDE

## You Are Loved

*A small gift. A simple reminder. A love that keeps moving.*

Hello,

**There is a small cash gift inside this letter for you.**

This gift is yours to keep. You do not owe anything back. You do not have to repay it, explain it, or prove that you need it. It was given freely, with love.

The purpose of this gift is simple: to remind you that you are seen, you are not forgotten, and you are deeply loved by Jesus.

**The New Testament says, "We love because he first loved us." - 1 John 4:19**

That is the heart behind this letter. Jesus loved us first. He gave Himself for us freely, not because we earned it, but because His love and grace are gifts.

Please use this money for whatever you need: food, gas, a bill, a meal, or simply a small encouragement today.

And someday, when you are able, you are invited to pay it forward. That may be a gift, a meal, a prayer, a kind word, or helping someone else who needs hope.

**You do not have to repay this gift. Just let love keep moving.**

Jesus gave freely to us. Now we get to love others freely.

Want to learn more about Jesus, request prayer, or continue the blessing?
